Nussle Agenda for Fair Taxation & Responsible Budgets

"As House Budget Committee chairman, it is my goal to craft budgets that are good for Iowa by supporting strength for America, growth for the economy and opportunity for the future by promoting freedom at home and abroad. Maintaining fiscal discipline in Washington has long been a focus for me. As a senior member of the Ways and Means Committee, which has jurisdiction over tax issues in the House of Representatives, I believe it is important to provide tax relief to strengthen the economy. We should also take steps to simplify America's tax code."

Jim Nussle

Jim is working to achieve a positive legislative agenda for Iowa's future. Jim has worked on Iowa's priorities since coming to Congress and will continue to work on these priorities in the 108th Congress. After countless meetings with Iowans, as well as through letters, e-mails and phone calls, he has created the following goals.

Goals for Fair Taxation and Responsible Budgets:

1. Fully Fund the War on Terrorism
2. Fully Fund Our Homeland Defense
3. Budget for Future Emergencies
4. Government Living Within Its Means
5. Fund the 2002 Farm Bill
6. Ensure Certainty for Vital Transportation Funding
7. Hold the Line on Discretionary Spending
8. Provide for Economic Growth and Job Creation
9. Long-term Fiscal Responsibility
10. Tax Code Fairness and Simplicity
11. Reduce Tax Burden on Families

In order to achieve the goals to help eliminate the deficit, lower taxes and create responsible budgets, Jim has sponsored and co-sponsored many pieces of legislation, and as the House Budget Committee Chairman, he has written many items into his budget. You will find a listing of these items on the following pages.
